March 27, 2017

**Sewer Repair News Update**

March of 2017 posed good weather and good news for the residents of Cahokia and the Water & Sewer Department. Good weather and the lack of rain allowed the Village to move forward with sewer repairs at the following locations.

- 1. 1705 Andrews (completed 2/27/17)**
- 2. Intersection of St Christopher & Andrews (completed 2/28/17)**
- 3. 521 St Dorothy (3/3/17)**
- 4. 127 Lazarcheff (completed 3/6/17)**
- 5. 821 LaSalle (completed 3/9/17)**

All projects listed above are completed with the exceptions of some street repairs. These sites require some time for the ground to settle before asphalt can be applied. Stay tuned for continued updates.

As always, on behalf of the employees in the Water and Sewer Department, thank you for your patience and support!

Cordially,

*Lynn Branson*

Lynn Branson, Assistant Director
