## **MEMORANDUM**

**To:** All Employees

**From:** Mayor Curtis McCall Sr.

**Date:** February 5, 2022

**Re:** Letter of Commendation

---

As mayor, I appreciate the amazing work all of you have been doing for the City of Cahokia Heights. You have surpassed my expectations. Not only have you worked diligently to meet your targets but have helped your coworkers in meeting theirs too. Your commitment has helped the City meet major benchmarks over the past eight months and that is quite a feat in itself.

I would like to commend Police Chief Steve Brown and the entire police department for patrolling and keeping our city safe. I especially would like to thank Directors Corey Allen, Keith Nolden, Trevon Tompkin, and Ralph Wofford, and staff members of their respective departments on the exemplary work performed during the past four days when our area was hit with a major winter storm. The storm covered the streets with snow and ice that created very hazardous driving conditions for our residents. Their preparedness, mobility and emergency response to the storm were magnificent. I greatly appreciate the many hours they provided in order to ensure the safety of our streets.

In addition, it is incumbent upon me to make you aware of numerous compliments that I have been receiving in recognition of the dedication and hard work that you all have done and continue to do for the citizenry of Cahokia Heights.

In closing, thank you once again for the tremendous effort that has been collectively put forth by each one of you because we are "Better Together!"
